

Bracknell Forest Natural History Society

A society for everyone interested in nature and its conservation

ECUADOR AND THE GALAPAGOS ISLANDS

Monday 19th May 2025 at 7.30pm

In the Recital Room at South Hill Park

This fascinating talk by NatureTrek Managing Director's ANDY TUCKER will feature stunning photography of iconic species such as the Cock-of-the-Rock, Sword-billed Hummingbird, Spectacled Bear, Giant Anteater, Torrent Duck, Hoatzin, seabird and Sealion colonies, giant Tortoises, marine and land Iguanas and Penguins, to name but a few... and discuss current conservation issues.

BFNHS MEMBERS: £1 VISITORS WELCOME: £3

Cash at the door - no need to book in advance

South Hill Park is on Ringmead, Bracknell RG12 7PA
